SECTION L - INSTRUCTIONS, CONDITIONS AND NOTICES TO OFFERORS

L.1 General Instructions

The Offeror shall submit a proposal in four volumes.

Volume I Technical shall not exceed 25 pages.

Proposals are due no later than 2:00 p.m. MT on December 15, 2026.

Submit questions to:

Jane Doe, Contracting Officer

jane.doe@us.af.mil

(719) 555-0142

L.2 Technical Volume

The Offeror shall provide the following:

(a) a description of the thermal design;

(b) the analysis results; and

(c) a test plan.

The Offeror shall provide the following:

(a) a risk register;

(b) a schedule.

NOTE: Offerors are cautioned that the Government will not accept late proposals.

Font: 12 point Times New Roman

Margins: 1 inch

See FAR 52.215-1 and DFARS 252.204-7012 for additional instructions.

The Offeror shall describe its approach (e.g., modeling, test, analysis) to verification.

Key personnel resumes are limited to 2 pages each.

Table L-1. Page Limits

Volume	Title	Page limit
I	Technical	25
II	Management	15
III	Cost	No limit
