SECTION L - INSTRUCTIONS, CONDITIONS, AND NOTICES TO OFFERORS

L.1 General Instructions

The Offeror shall submit its proposal in four volumes. Each volume shall be separately bound; the Government will not accept combined volumes.

Proposals received after the time set for receipt are “late” and will be handled in accordance with FAR 52.215-1.

The Offeror shall address the following:

(a) the approach to thermal control, including margins;

(b) the test philosophy; and

(c) the schedule risk.

L.2 Volume I – Technical

The technical volume shall not exceed 50 pages.
Pages beyond the limit will not be evaluated. Font size shall be no smaller than 12 point Times New Roman.

Offerors shall use tabs badly in this sentence.

Key Personnel

The Program Manager shall have 10 years of experience. The Chief Engineer shall hold a PE license.

Volume	Title	Page Limit
I	Technical Approach	50
II	Management	The management volume shall not exceed 25 pages.

Questions shall be sent to Jane Doe, Contracting Officer, at jane.doe@us.af.mil or (719) 555-0100 no later than 10 days after release.

Note 1: the Government may award without discussions.

2.3.4 Past Performance

Offerors shall provide three (3) references—each within the last five years—for contracts of similar size.

All costs shall be in U.S. dollars, e.g., $1,000.00, and rounded to the nearest dollar.
